and special projects, nature walks

*All campers should wear play clothes, and  
bring a morning snack, water  
bottle, towel, sunscreen and swimsuit daily!  
Parents put on sunscreen before school.. Full-  
Day campers must bring a morning and after-  
noon snack, as well as lunch.*

**Session 1**  
**Sports Camp**

Your child's athletic development will get a big boost at our sports camp. Children will experience or expand their knowledge in variety of sports, such as soccer, baseball, martial arts, golf, swimming, fishing, horseback riding, hiking, and more. Local athletes will be invited to demonstrate their sports to the children and tell stories from their experiences. The children will learn sportsmanship and the rules of the various sports presented. Field trips will include H2O O'Brian Pool, Parker Recreation Center, a mock Olympics at O'Brian Park & Pool.

**Session 2**  
**Science and Explorations Session**

Stimulate your child's creativity with a wide selection of hands-on activities for every interest, from crafts to dramatic arts to artistic exploration. Children will explore a variety of mediums, such as cooking, gardening, sewing and knitting, and creative pursuits, including jewelry-making, flower pressing, paper crafts. Children will also explore the wonders of insects, water & weather during this session as well.

**Session 3**  
**Games Camp**

Your little gamester is sure to revel in the endless opportunities to learn and play games of all kinds, from cards to computers to board games to puzzles and many, many more. Active outdoor games abound, too, including ball games, hide and seek, Frisbee, hopscotch — and games that the children make up on the spot. Games of chance will help them learn about probability and risk and strategic games will stretch their planning skills and help them predict consequences. Their creativity, teamwork and problem-solving skills will work hand in hand to devise new games, establish rules, and then put their new games into play. They'll love water games on hot days, and if it rains, they'll have plenty of opportunities for indoor games of their choice.

**Session 4**  
**Adventure Camp**

Introduce your child to the many wonders in our own back yard — Colorado. We will explore a variety of local and nearby attractions, some new and some familiar, such as hiking, camping, treasure hunts, and historic and scientific adventures. The Primary level children will help research and plan their outings and prepare snacks and beverages for each outing. An end of the session sleep over, on Parker Montessori school grounds for Primary students and parents only will take place. Children will bring tents to pitch on the playground or in the building. They will roast marshmallows on a fire pit, make s'mores, stargaze, listen to campfire stories and more.
